Dates for the courses will become available at least two months prior to the class start date (i.e., dates for the September class will be set in July). Classes requiring extensive precourse work may have a closing date. Class sizes will vary but have a minimum of ten (10) students.

NWCG nomination forms are required for each class and must be filled out completely. They can be submitted hard copy or electronically. If submitting them electronically, they must have the name of the training officer, chief, or agency contact in the signature block.

You will be notified in writing of acceptance into a class three (3) weeks prior to the start date or upon receipt of your nomination form. If you have provided an email address, you will receive course information via email. If you do not have an email address, please note the mailing address where you would like the information to be sent. Precourse work will also be sent out at this time.
