Course Description

This course directs the student towards an operational understanding of large single-agency and complex multi-agency/multi-jurisdictional incident responses. Topics include: Fundamentals review for command and general staff, major and/or complex incident/event management, area command, and multi-agency coordination. This course was developed in conjunction with the US Fire Administration (H467) and the Emergency Management Institute (G400). These courses are built on the same lesson objectives and content as the NWCG I-400 course and are interchangeable; they are all National Incident Management System (NIMS) compliant.

Objectives

- Identify the incident management process of command and general staff functions during complex incidents as prescribed by the Incident Command System.
- Describe implementation of the incident management process on a complex incident.
- Describe the management and coordination process during multiple incidents.

Course Prerequisites

I-300, Intermediate ICS: ICS for Supervisors and Expanding Incidents
