

Pipeline Safety Training Program

RAPID CITY FIRE DEPT
FIRE OFFICIAL

As part of an on-going national effort to increase the knowledge and understanding of emergency responders across the nation regarding pipeline emergencies, you and your employees are invited to attend a pipeline safety emergency response program. This program is paid for by local pipeline and gas distribution companies and will provide your agency valuable information about the emergency response techniques needed for appropriate responses to pipeline emergencies.

A meal and presentation will be provided to educate your agency in the efforts and coordination needed by local emergency responders and pipeline operators. Representatives from the pipeline sponsors for this meeting will be in attendance as a resource to discuss and network coordination efforts in your area.
